- look after young athletes' personal safety at event venues
- provide the appropriate ratio of staff for the age and ability of the athletes e.g. a minimum of one adult member of staff for every ten children who may be travelling away from the home venue
- provide staff of the same sex as the athletes i.e. avoid cross-sex chaperoning
- Upon completion of the volunteer action plan for the sport, ensure that all volunteers for an athletics' team have been CRB checked and have completed appropriate child protection training

- ensure that written, informed consent has been collected from all persons with parental responsibility for the participant in advance of a competition including next of kin and contact details, medical conditions such as allergies, and ensure medication is available for the child for the duration of the event.
