Sports Equity Policy

The Club promotes equal opportunities and sports equity. The club:

- Is committed to ensuring that equity is incorporated across all aspects of its development. It acknowledges and adopts the following Sport England definition of sports equity:

Sports equity is about fairness in sport, equality of access, recognizing inequalities and taking steps to address them. It is about changing the culture and structure of sport to ensure it becomes equally accessible to everyone in society.

- Respects the rights, dignity and worth of every person and will treat everyone equally, within the context of their sport, regardless of age, ability, gender, race, ethnicity, religious belief, sexuality or social/economic status.
- Is committed to everyone having the right to enjoy their sport in an environment free from the threat of intimidation, harassment and abuse.
- Will make all Club members aware of their responsibility to oppose discriminatory or threatening behaviour and promote equality of opportunity.
- Will deal with any incidence of discriminatory or threatening behaviour seriously, according to Club disciplinary procedures.
