Membership Fees 2022

Bournemouth Athletic Club has agreed to keep membership fees, season tickets and training fees at the same level as the last two years. The England Athletics fee has been set at £16 as shown and should be added to the appropriate fee. The Club will then pay the EA fee on your behalf.

If you have paid your own EA membership please provide your **EA number:** and we will not register you.

If not registered with EA you must select the appropriate EA membership otherwise you will be unable to compete for the club.

Associate Membership will be given to Volunteers only. They do not need to register with EA.

Season Ticket holders may also use the Kings Park track at other times **provided it is not in use by any other organisation, and provided the holder can produce his/her Season Ticket on request by Council Staff**. If it cannot be produced the holder will be required to pay the current Council fee for use of the track.
